PROFILE CREATION FOR EXISTING MSDC USERS

- Go to the **Practitioners Login** page
- Click **“Sign Up”** to create your profile
- Enter **“Registration Number”** & **“Registration Date”**
- Create your profile by filling in all the required details accurately in the registration form
- Go to the **Practitioners Login** again and login with **“Registration Number”** and **“Password”**

Know your Dentist

The Maharashtra State Dental Council (MSDC) has launched the “Know Your Dentist (KYD)” — a **Scan-Based Verification System** that enables citizens to verify whether a dentist is duly registered with the Council and to confirm their recognized specialization. Each registered dental practitioner will be issued an Aluminium Scan Sheet containing a unique QR Code linked to their verified registration record. Please note that the KYD Aluminium Sheet will be issued **free of cost** to the first **10,000 registered dentists** as part of the initial implementation phase.

Procedure to Register Name for KYD Sheet

Step 1:

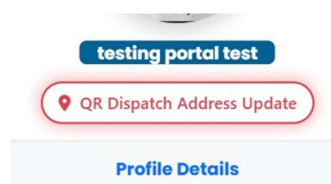

Visit the official website of the Maharashtra State Dental Council — www.msdcmbai.in

Step 2:

Login using your **registered Number and Password**. If you have not created your profile kindly follow the above procedure for Profile Creation of existing MSDC users.

Step 3:

Click on the **“QR Dispatch Address”** tab available in your profile and **enter the complete and accurate postal address** for the dispatch of your **KYD Aluminium Sheet**.

Note: Only one KYD Aluminium Sheet shall be provided free of cost by the Council. In case any practitioner requires an additional KYD Aluminium Sheet for display at other clinics, they are advised to contact the Maharashtra State Dental Council for further assistance. Further, it is mandatory for all Dental Practitioners practicing in the State of Maharashtra to obtain the KYD Aluminium Sheet.
